Q.83 Now I am going to read something that could happen, and I want you to tell me how you would respond.

Last week, the Special Counsel Robert Mueller indicted 12 Russian military intelligence officers for criminally hacking into the computer systems of the Democratic Party and Clinton campaign. Imagine next month the Special Counsel indicts core leaders of the Trump campaign, including its former campaign chairman Paul Manafort and Donald Trump, Jr., for criminally cooperating with the Russians. Imagine Counsel Mueller also issues a final report to Congress that concludes that President Trump obstructed justice by firing the FBI Director, attacking federal investigators and pushing House allies to end all investigations into Russian interference.

During the 2016 GOP primary, a Fox News anchor questioned Donald Trump about calling women fat pigs, dogs, and slob, and candidate Trump mocked the appearance of the one woman candidate in the GOP primary. Trump's personal lawyer, Michael Cohen, payed-off a series of women alleging affairs with Trump, including secretly paying \$150,000 to adult film actress Stormy Daniels in the weeks before the 2016 election.
