Q.76 Please read this statement from a Democratic candidate from (STATE). Does that statement make you feel much more positive, somewhat more, a little more, or less positive about that candidate, or does it make no difference?

We need new political leadership in Washington. They are dividing the country and handing the government over to their wealthy donors and corporations at the expense of working people and the middle class. The Republicans' tax scam for the rich recklessly drives up the deficit to justify their cuts to Social Security & Medicare and less investment in education and health care. I won't take contributions from corporations, and I believe the very richest must pay more in taxes

so we can invest in education and make health care more affordable.

81 (IMMIGRATION) America is finally getting tough on immigration, protecting American workers, building the wall, and supporting our law enforcement like I.C.E., which deports criminals like MS-13.
